Authority to Publish

Media opportunities are something that most children enjoy. It is expected that during the year the school will photograph events and may seek publicity in the media for promotion of programs and educational events. It is likely that students could be photographed and/or filmed and/or interviewed in the course of this publicity.

At Coledale Public School we are always keen to acknowledge the great work done by our students. Often the school is able to present/publish our student's work, both within the school and outside the school.

Content examples include but are not limited to photographs, text, illustrations/graphics, videos and sound recordings.

PG Rated Movie/Texts

DoE regulations mean that primary school students are only able to watch G rated multi-model texts at school without parental permission. At times we may want to watch a PG rated texts. Parents should be assured that teachers will carefully check anything to be shown to our children (we will not be showing any violence, swearing or anything scary).

I give permission for my child to view suitable PG multi-model texts.
